About Us

Established in 2011 by trained and highly qualified and influential cleaning professionals from the UK Abu Hail Technical & Cleaning Services is raising the level of the cleaning industry. With the influence, intelligence and professional experience we are here to provide a quality of service like no other.

Being Professional and doing things right at the same time having debatably the best rates in the market we are the company you have need. All our high-rise window cleaners are certified by the Dubai accreditation council and all staff is supervised from UK qualified supervisors who are qualified in cleaning and health and safety. Our health and safety manager is certified from UK and also OHSAS 18001:2007 Certified leads Auditor.

Follow Our Footsteps

Our promise to all our valued customers is that every customer will get the best. From the quality of work to customer care, every job will be treated personally and professionally. From 24 hours customer service to staff that clean from the heart. Follow our footsteps and let us be your trusted cleaning partner.

High-rise Building Facade & Glass Cleaning

We take pride in being professional and having window cleaning in our roots. With state of the art equipment, latest technology and a highly trained and experienced team, Abu Hail Technical & Cleaning Services is raising the bar in the cleaning industry. Everybody likes looking at a clean shiny building and from a business prospective it could mean a lot.

Cleaning a high-rise building is not the safest job in the world and as a client, you would want your Building was cleaned perfectly Abu Hail Technical & Cleaning Services have covered both of these areas.

We are certified from IQMS in health and safety. We are also certified by the Dubai accreditation council for cradle operation and have professional experience to complete the job in the safest, most efficient and give you the perfect clean.

Our top UK qualified supervisors are also on the site at all times to insure we complete the job to a level of perfection.

If it's a 10 floor building or a 100 floor sky-scraper we are the company to call to take care of your building.

HIGH-RISE TOWERS & HOTELS

External Glass & Facade Cleaning of High Rise Towers
